PAÑPURI

In Asia, the luxury brand Pañpuri enjoys the reputation of a premium spa supplier. »Pañ« means all-embracing wisdom, »puri« a magnificent palace. The exquisite ingredients used in Pañpuri products are based on the teachings of Fareastern healing methods. For thousands of years, they have offered healing, care and balance, bringing harmony to body, mind and spirit. The superior products of Pañpuri contain authentic Asian aromas and basic substances such as jasmine, ylang ylang, lemongrass and sandalwood. The fine compositions are created using combinations of aloe vera, coconut, ginger and honey, tamarind, turmeric and other select ingredients.

Inspiring Coffee Therapy

Stimulating and revitalising. Coffee Therapy smoothes the skin, promotes drainage and boosts toxin elimination. After a firming coffee body scrub, you'll relax in a coffee milk bath, followed by the coffee mask in combination with a revitalising head massage.
